For these measures to be effective everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of all officials and stewards.

May we take this opportunity to welcome you all to our tournament.

We hope you have an enjoyable and successful time
HELPFUL TIPS WHEN AT A DRESSAGE COMPETITION

- **PLEASE NOTE NEW PARKING RULE, NO PARKING** is allowed along the long side of the surface. This is for foot traffic only and for horses going to the surface. If you are in the stables that face the surface you now have to park in the yard paddock or the hospital paddock and walk your horse to your allocated stable.
- If the grounds have been wet, please check before pulling onto the grass areas. Keep 10m back from any fence around the Surface & the Hedge side is a "No Thoroughfare" strip.
- A float **MUST** have a vehicle attached if a horse is tied to the float.
- **HORSE ACCOMODATION:** Stables and yards are booked and assigned. To request any change or report damage either found or done by your horse please contact Helen Boyd - 0272097944 We need to clean up after our horse/ponies by piling manure in front of the "MANURE" signs found around the grounds.
- **NON COMPETING HORSES:** Permission to have any NON Competing horse/ponies on the grounds needs to be requested from the Show Secretary (only) AND must be done at least 3 days prior to the tournament. Not all tournaments are appropriate for this due to entry numbers etc but give Corinne a call/email to talk it through.

- **ARENA FAMILIARISATION:** If this is to be available at a tournament, the time(s) will be advertised in the schedule or program. This is where you are able to lead or ride your horse, usually at a WALK, around the outside of any of the arenas during a specified time period under the supervision of a Steward or Committee member. If you choose to take the opportunity, your horse/pony must wear an ID number & a bridle. Unregistered riders wishing to participate can collect their back numbers prior, from the truck at North end of the grounds.
- **STEWARDS:** These folk hold an ESNZ appointed position and are there to guide & educate riders & supervise safety aspects for both horse and rider, including appropriate “tack”. They are very approachable so do feel free to do so, however we all must abide by their advisements.

WARM UP EQUIETTE:

Surviving the warm up area can be more difficult than getting through your test! So here are some pointers..

LOOK UP – Does your horse need brake lights? Don’t stop suddenly without being aware if anyone is behind you. If you need to adjust equipment, move to the side of the area, a polite “sorry” is helpful if you cut someone off.

COACHING – if someone is warming you up, make sure they are outside the surface fence using a discrete voice.

LEFT SHOULDER TO LEFT SHOULDER: When riders are approaching head on, stay to the “right side of the road”-your left shoulder to their left shoulder. Walking or doing slow work, keep to the inside/centre of the arena.

KEEPING A DISTANCE: It can be difficult but try to avoid riding too close. Just use Common Sense – don’t ride up another horse’s rear & don’t pass too close – they aren’t dodgem cars!!

MISBEHAVING HORSES: If it’s YOUR horse having a problem, move to the edge of the arena, if it’s someone else’s, stay away if possible, if not, please ride QUIETLY past it. If a rider falls off or if there is a loose horse, you MUST HALT until the situation is under control. A Steward may request a rider with a disruptive horse to leave the warm up area.

LUNGING: Lunging on the surface IS NOT PERMITTED at competitions once the arenas are up.

CALLERS: If you have someone calling your test, have them wait at the edge of the surface, moving as directly as possible to your arena as the previous test ends, taking care for their own and others safety.

BE CONSIDERATE OF OTHERS: Everyone has equal rights to the warm up area, but you ONLY enter when you are TWO horses away from YOUR time& leave immediately following your test. Please show tolerance for

those less experienced who may unknowingly get in the way. Give upper level riders a little extra space particularly doing lateral work.

If you are in doubt or have any concerns please don't hesitate to approach the office or any Committee member...we are happy to help.

IMPORTANT NOTICES:

- Refunds: After closing date, requests for refunds of Entry Fees must be in writing, accompanied by a Medical or Vet Certificate within one month after tournament date. (20% of entry fee plus \$25 ground/admin fee will be retained.) All other requests will be presented to the Committee who MAY use their discretion
- Riding times in this programme are a guide only & in the event of a scratching before your time we expect you to ADJUST YOUR TIME ACCORDINGLY - the organizers & judges thank you.
- All horses being grazed on the ground are to have an attendant holding them at all times.
- The organizing committee disclaims all liability in accordance with article 163 of the ESNZ general regulations
- The organizing committee reserves the right pursuant to article 114(general regulations) to: cancel any class or event, divide any class and refuse any entry to transfer competitors between sections of a class and alter or amend the schedule
- Please leave stables and areas around floats/truck clean and tidy. All manure and hay to be removed from grounds by competitors or may be left in designated areas
- All dogs must be on a lead at all times for the duration of the tournament
- **All horses must wear ID tags while on the grounds**
- **Lunging of Horses: There is to be no lunging of horses in the area of the registered arenas, there will be a designated area**
