

Dressage Officials Fundraiser Weekend

16 & 17th September 2017

Entries Close FRIDAY 8th SEPTEMBER. Entry Fee must be with Entry

We are wanting to create a fun learning atmosphere for our riders and provide them with the tools to have a successful and fun season ahead. Horses or Ponies, adults or children, we will develop the session to your needs.

This is a great opportunity if you have never taken your horse for an overnight stay.

You get to work out what to pack, how much food to take and what is the best routine for the both of you in the mornings without the pressure of an actual competition.

Lots of experienced people to help you with all of these things, we all started out at the beginning not knowing anything at one point in time...ALL OF US!

What are we fundraising for? All our officials, Judges, TD's & Stewards are required to pass exams and meet criteria to maintain or advance their qualifications. This is funded by the officials themselves. To get more experience requires travel further out of their local region to the Nth Island and Australia. To help us get our Officials to the shows that they need to get to is expensive. We are developing a fund that our Officials can apply to, so they can subsidise costs. The benefit for Southland is we get qualified Officials who have worked with the best in the world and judged some of the best horses in NZ & Australia. 😊

Saturday Afternoon Session

- Each combination gets 25min to ride a test of their choice, you get feedback from the judge and the opportunity to ride the test again.....(if only we could do this on competition day....) **Please indicate on the entry form what test you wish to ride.**
- We will have groups for all levels, from Unregistered Beginner Level right through to whatever is required.
- If you want to work on your Musical floorplan, this is a great opportunity to have 25mins to do it in. Get a friend to video you or we can supply a person if you supply the video, phone whatever. Unsure what movements are allowed at your level, we have judges to ask.
- If you just want to book 25mins to work in the arena by yourself this is also fine, again we will have people available if needed. 😊
- Pole work and Prix Caprilli practice will also be running in the afternoon if you would like to take part in this.
- A casual get together at the end with drinks and nibbles, Q & A about anything that springs to mind.
