Qualification

There are no compulsory qualifying scores needed. The national selectors will select 43 combinations who they consider will best represent NZL in this competition at each level. (Forty riders and three reserves will be selected)

- Riders will be requested to list their three best scores (as a combination) at national & regional events from 1st October 2014 on their nomination form, These scores are as a guideline only for selectors and are not compulsory qualifying scores. In addition riders may include up to three LE scores gained from 1/4/15 but only in addition to RE and Nat scores.
- If riders do not have qualifying scores as above they may still nominate
- It is recognised that the NZL grading system does not equate with the levels offered at the WDC and some riders may wish to nominate at the WDC at a higher level than they competed last year. **Final selection at absolute discretion of the national selectors**
